

Course Title: Dentistry and Basic Non-Opioid Prescribing in Pain

Course ID#: 1084432

Instructions:

1. Search by Course Title or Course ID#
2. On the Home page of the course select "Registration". A box will pop-up that states **"Before you can Register you will need to select the credit type"**. Chose the appropriate credit type in the drop down box: None or CEU/CE
3. After you are registered for the course and before you chose "Launch" we would suggest that you select the Resources tab on the home page of the course. Here you will see a file for use while taking the assessment. These are Hypothetical Cases that will coincide with the questions in the Assessment. The file name is **"pain1 2021-08 c-cases.pdf"** We would suggest that you download the file and print a copy to refer to while taking the assessment.
4. To start the course select "Launch"
5. Upon completion of the course slides you will need to select "Mark Completed"
6. Then you can select the "ASSESSMENT" tab for the questions of the assessment
7. After successful completion of the course you will be able to "Print Certificate".
8. To receive a Certificate of Completion the assessment must be passed with a score of 6 out of 8 questions answered correctly
9. You will have 10 attempts to pass the assessment and receive a certificate
